

Employer Branding Specialist

FF06 HR, recruitment and L and D · ISCO-08 2423 · CBS 0415 Specialisten personeels- en loopbaanontwikkeling · seniority medior · Also known as: Employer Brand Manager, Recruitment Marketing Specialist

Builds the organisation's position as an employer through stories, campaigns and channels, and makes sure vacancies reach and appeal to the right audiences.

The employer branding specialist works where hr and marketing meet and owns the employer brand and labour market communication. Unlike the recruiter, this role does not fill vacancies but creates intake and preference upstream. Selection often favours creative campaigns, while in practice the role fails on collecting genuine employee stories from departments that make no time for it and on demonstrating effect on applicant quality.

5 Behavioural anchors per skill

Anchors sit at N1, N3 and N5. N2 and N4 are deliberately not anchored: raters interpolate between them, following the O*NET convention.

Skill	N1	N3	N5
Employer branding and recruitment Finds and engages candidates through vacancy texts, channels and networks and guides them through the procedure up to an offer.	Posts a vacancy in the standard text format and tracks candidate responses in the system.	Independently determines channel and target group approach for a hard to fill vacancy and approaches candidates actively.	Determines the organisation's labour market strategy, steers recruitment results and positions the employer brand in the sector.
Advisory skill Sharpening the question of a client and delivering a well founded recommendation in a way that the receiver adopts and implements it.	Supplies requested information and explains a standard recommendation following the fixed structure used by the team.	Reframes the question behind the question, offers two supported options with consequences and agrees a decision moment.	Advises the board on issues with conflicting interests, challenges established assumptions and safeguards the quality of advice across the organisation.
Content marketing Devises, creates and schedules text, images and video for the channels of the organisation so the target group is reached and engaged.	Publishes supplied posts according to the content calendar and checks language, imagery and links before publication.	Creates an own content calendar per target group, writes the texts and steers on reach and engagement.	Determines the content policy and brand voice of the organisation and decides on the use of editors, agency and channels.

Skill	N1	N3	N5
Applying brand positioning and visual identity Determines or safeguards what the brand stands for and ensures that language, imagery and behaviour in communications match it.	Uses the prescribed logos, colours and templates and checks with others when in doubt about a publication.	Tests publications from team and suppliers against the brand principles and corrects deviations with an explanation.	Recalibrates the brand positioning of the organisation and sets the guidelines all publications must meet.
Listening and probing Taking in the message of the other party fully, checking whether it is understood correctly and using targeted questions to surface underlying interests and assumptions.	Lets the other person finish speaking, takes notes and afterwards asks about anything that stayed unclear.	Summarises both the content and the feeling of the other party and probes until the real interest behind the request becomes visible.	Picks up sensitive signals in conversations with directors and supervisors and uses them to adjust organisational policy in good time.
Social media communication Managing business accounts on social networks, publishing posts and responding to reactions within the rules of the organisation and the platform.	Publishes approved posts with the correct tags and reports negative reactions to the administrator of the account.	Manages a channel independently, replies to questions within an hour and uses statistics to choose posting moments.	Sets policy for conduct on social networks, arranges monitoring and leads the response when a public row emerges.
interpersonal sensitivity Noticing verbal and non-verbal signals from others, naming what stands out and adjusting own behaviour accordingly during the contact.	Notices when a conversation partner disengages or hesitates and asks whether the explanation is clear.	Names observed tension or reticence during a conversation and adapts tone, pace and wording accordingly.	Trains others in recognising social signals and uses that insight when designing sensitive change processes across the organisation.
organisational awareness Recognising how formal and informal relations, interests and decision making work in the organisation and taking these into account in own actions.	Asks who needs to be involved in a topic before a proposal is shared with others.	Assesses which interests a proposal touches, involves the right people beforehand and chooses a suitable moment to raise it.	Sees through relations between organisational units and external parties and steers decision making by organising support at an early stage.
integrity and dependability Acting in line with applicable standards and agreements, also without supervision, and being transparent about own interests, mistakes and doubtful cases.	Keeps to agreements and rules of conduct made and reports an own mistake to the manager.	Reports a possible conflict of interest on own initiative and asks for review before a decision is taken.	Sets the organisation's integrity standards, enforces them also with influential parties and explains the resulting choices publicly.

Skill	N1	N3	N5
Applying basic employment law Knowing and applying rules on employment contracts, working hours, dismissal and employee participation in personnel decisions, and knowing when legal advice is needed.	Looks up in the collective agreement or staff handbook which rule applies to a question.	Applies rules on contracts, leave and dismissal correctly in own decisions and involves a lawyer when in doubt.	Sets the employment law policy of the organisation, negotiates terms of employment with trade unions and assesses precedents and legal risks.
Organising learning and development Determines the learning needs in the organisation, chooses learning formats and providers and organises training including evaluation of its effect.	Arranges the practical side of a training course under guidance and tracks participation and cost.	Independently draws up a training plan for a department, chooses learning formats and measures whether the intended behaviour changes.	Determines the organisation's learning strategy, sets up the learning infrastructure and accounts for the return to the board.
Independence Forming and maintaining an own position on the basis of own judgement, even when the environment or an authority expects something different.	Forms an own opinion on a familiar issue and compares it with the advice of a colleague.	Takes a decision that departs from the group line, explains the reasoning behind it and accepts the consequences.	Protects own professional judgement against pressure from stakeholders in senior forums and makes dissenting positions traceable and explainable.
Coaching Helping employees reflect on their own behaviour and choices through questions, mirroring and feedback, so they take a next step in their work themselves.	Asks a colleague after a job what went well and what they would do differently next time.	Holds coaching conversations with open questions, names patterns in behaviour and lets the other person formulate a learning goal.	Trains managers in coaching behaviour, guides peer supervision groups and determines how coaching is deployed across the organisation.
Change management Planning and guiding change by involving stakeholders, phasing steps, influencing behaviour and tracking the results the change is meant to deliver.	Adapts own way of working to an announced change and asks for explanation when steps are unclear.	Makes a change approach for the team with those involved, chooses interventions per group and follows the implementation.	Leads organisation wide change programmes, aligns with works council and supervisors and sets the change approach of the organisation.
Workforce planning and strategic workforce planning Determining current and future staffing needs in numbers and qualifications, comparing them with the present workforce and deriving actions for hiring and development.	Supplies data on staffing and turnover and checks the personnel list for errors and duplicates.	Draws up a staffing forecast for the own team including turnover and retirement and names the vacancies to fill.	Builds strategic workforce planning for the whole organisation, links it to strategy and labour market and puts the risks on the executive agenda.

Skill	N1	N3	N5
Recruiting and selecting Defining vacancies sharply, attracting candidates and making a substantiated selection choice using fixed criteria, structured interviews and assessment instruments.	Carries out recruitment tasks such as posting a vacancy text and scheduling interviews according to procedure.	Sets selection criteria, conducts structured interviews with the same questions per candidate and records the judgement traceably.	Sets the selection policy of the organisation, chooses instruments on validity and equal opportunity and monitors the quality of appointments.
Designing training and instruction Designs a learning programme with objectives, methods and assessment, chooses the format that suits the audience and delivers or supervises the execution.	Drafts a programme for one work instruction using a template and submits it to the trainer.	Designs a training of several sessions with clear objectives and assessment moments and delivers it to a group personally.	Determines the training model of the organisation, chooses didactic principles and aligns programmes with strategic workforce questions.
GDPR and privacy in practice Knows privacy legislation requirements for own work, which legal basis and retention period apply and recognises when notification is required.	Processes personal data only according to the applicable work instruction and refers doubtful cases to the privacy officer.	Judges in own processes whether a legal basis exists, applies data minimisation and handles requests from data subjects correctly.	Sets privacy policy, decides on high risk processing operations and represents the organisation towards the supervisory authority.
Marketing analytics and attribution Measures the effect of marketing efforts with dashboards and models and attributes revenue and leads to channels and campaigns.	Pulls the standard reports from the analytics tool and puts the key figures into the weekly overview.	Builds a dashboard per channel, checks the measurement setup and explains which campaign delivered which result.	Chooses the attribution model for the organisation, weighs its limitations and steers budget allocation on the outcomes.
HR policy and instruments Develops and manages HR instruments such as job architecture, appraisal, reward and mobility and links them to the organisation's staffing needs.	Explains to an employee which HR scheme applies and refers deviant situations to the adviser.	Independently applies HR instruments to a department's issues and advises the manager on their appropriate use.	Determines the organisation's HR policy, links it to the strategy and sets frameworks for all HR instruments.
Working conditions and absence policy Knows the rules for safe and healthy work and the steps in absence and reintegration and applies them in conversations and files.	Registers absence reports according to procedure and flags when a statutory step in the file is due.	Independently holds absence conversations, draws up an action plan with company doctor and manager and keeps the file complete.	Develops the policy on sustainable employability and absence, analyses the figures and tackles causes in the work itself.

Skill	N1	N3	N5
Data analysis Prepares and analyses data sets to find patterns, relationships and outliers and connects the outcomes to the original question.	Carries out a predefined analysis step on a supplied data set and records the outcome in the agreed format.	Selects analysis methods for an open question, turns raw data into a working file and supports every conclusion with figures.	Sets the organisation's analysis standards, reviews the analyses of others and establishes new analysis methods in the profession.
Prompting and task delegation to AI Divides work between person and AI system, formulates task, context and required output format and adjusts based on the output.	Gives an AI tool a single task with a clear question and required format and uses the result after checking it.	Splits a work task into steps, decides which step AI does and which not and improves the instruction based on outcomes.	Develops organisation wide practices for dividing tasks with AI and trains others in effective and responsible instruction giving.
Assessment and selection methodology Selects and uses selection instruments such as tests, interviews and work samples, weighs the outcomes and substantiates an advice on suitability.	Administers a test under supervision according to the manual and records the outcomes without own interpretation.	Independently combines test results and interview data into a substantiated advice and discusses it with candidate and client.	Determines the organisation's selection methodology, tests instruments for reliability and validity and sets guidelines for their use.

6 Assessment methods and validity

The validities are the corrected meta-analytic estimates from Sackett, Zhang, Berry and Lievens (2022) in the Journal of Applied Psychology, which replace the older Schmidt and Hunter (1998) figures. The spread matters as much as the mean: with a high SD, validity varies strongly by context.

Assessment method	rho	SD	What it is
Werkproef	0.33	0.09	The candidate performs a representative work sample under standardised conditions.
Assessment center	0.29	0.09	Multiple exercises, multiple assessors, dimension-wise scoring.
Portfolio/bewijsstuk	-	-	A collection of prior work or results, assessed against fixed criteria.
360 feedback	-	-	Multiple raters around the person rate behaviour against behavioural anchors.
Persoonlijkheidsvragenlijst	0.40	0.15	Self-report of behavioural preferences. At hrmforce the Big Fifty and the 15PF.
Situational Judgement Test	0.12	0.11	Scenario with response options, scored on knowledge or behavioural tendency.
Kennistoets	0.40	0.13	Test of declarative job knowledge, usually assembled per client.
Simulatie	-	-	Simulated work situation, usually digital, with standardised scoring.
Structureerd interview	0.42	0.19	Behaviour-based interview with fixed questions and a rating scale per question.
Certificaat/diploma	-	-	Formal proof of completed education or examination.

15PF	1	Persoonlijkheidsprofiel, korter alternatief voor de Big Fifty
Ability Scan	1	Capaciteitentest: verbaal, numeriek en abstract redeneervermogen

8 How to use this profile

1. Agree the profile with the hiring manager before the first candidate is measured. Weights shifted afterwards make the outcome indefensible.
2. Choose the assessment method per skill from the Assessment method column. Combine at most three methods per candidate.
3. Calibrate the assessors in a two-hour session using the anchors in chapter 5. Anchors without rater training deliver little.
4. Fill in the match calculator and discuss the gaps in the development conversation. Type A and type G are selection criteria, not one-quarter development goals.
